

# **Does the use of expired PTS POI devices meet eligibility criteria for SAQ B-IP?**

PCI SSC FAQ | Article 1464 | March 2019

---

Whether the purchase and use of devices with expired PTS approval is acceptable beyond their expiry date and whether such devices meet the eligibility criteria for SAQ B-IP is determined by the individual payment brands. For specific information regarding payment brand mandates for expired devices, entities should contact the applicable payment brand(s) directly. Contact information for the payment brands can be found in FAQ 1142 'How do I contact the payment card brands'?
